Dear Mr. Ignatius:

I want to express our appreciation for the interesting and timely remarks you made before the Advanced Intelligence Seminar. We enjoyed not only the content of the presentation, but also the informality and candor with which you answered students' questions. Your view of the journalist as a responsible citizen who is also attuned to the demands of his profession came through clearly.

We are pleased that you share our belief in the importance of keeping Agency employees informed on issues affecting the Nation. I hope you will be available to address future runnings of this course. Speakers such as yourself make the difference in maintaining the quality of the Seminar.

Again, thank you for addressing the Advanced Intelligence Seminar.

Sincerely,

Director
